

SMCWPPP Annual Report Training
Zoom Meeting Monday, July 24, 2023
1pm – 4pm

What Did You Think of the Following Presentations?

1. Muni Ops, CII, Conditionally Exempted, & Unsheltered – Kristin Kerr, EOA, Inc.

17 very useful 1 somewhat useful 1 neutral 0 not useful 1 not applicable

Comments on Presentation:

- Very clear, well presented.
- Great presentation.
- Received some great information.
- Good distinction highlighting the differences between previous years and the MRP 3 requirements. this year. Helpful discussion of unsheltered section.

2. Public Outreach, Pesticides, & Conditionally Exempted – Vishakha Atre, EOA, Inc.

16 very useful 2 somewhat useful 1 neutral 0 not useful 1 not applicable

Comments on Presentation:

- Awesome.
- Had some good information.
- Sections C.9.e.ii and C.9.e.f. are new public outreach items that I will need to fill in this year.
- Not many changes/differences with C.7 and C.9.

3. New & Redevelopment, Construction Site Controls, PCBs. & Copper – Peter Schultze-Allen, EOA, Inc.

16 very useful 3 somewhat useful 1 neutral 0 not useful 0 not applicable

Comments on Presentation:

- Awesome.
- A lot of refresher items, but understandable given how many new people there were.
- Covered what was expected.
- Busy with lots of slides, lots of info in a short period of time. I think it could be a separate session with more time allotted. I wonder if all the new attendees didn't ask any questions because of too much info at once (need time to digest first). But for me, good job Peter!

Did this training meet your expectations?

20 Yes 0 Somewhat 0 No

Do you have any general comments on the workshop or suggested improvements for future years?

- I feel like more breaks or breaking up the workshop could be beneficial for engagement.
- Good idea to stop recording for questions.
- Miss doing this in person!
- Thank you for a great workshop!
- Thanks for the presentations and information.
- Returning to "In-person" meetings would be helpful (not hybrid). Provides more opportunities for exchange of ideas, fostering interactions between agencies, and sidebar Q&A conversations with EOA staff.
